CONDITIONS OF DAY SOCIETY BOOKING AND PLAY

1. Booking form must be returned, duly completed, within 10 days of a provisional booking made by telephone or email. A non-refundable deposit of £10 per person is required when returning booking form
2. A minimum number of 8 players is required to qualify for Society rates – if your party numbers fall below 8 normal visitor green fees and catering tariffs will apply
3. Final anticipated numbers and menu selections must be advised at least 10 days ahead of date of play
4. Absolute final numbers must be advised 48 hours before date of play – this is the minimum number that will be charged for on the day (also please see 2 above)
5. Organisers/treasurers are requested to report to our Golf Co-ordinators in Reception on arrival. Full payment will be required ahead of play
6. Handicap certificates are not required but all players are expected to be of a reasonable standard and to respect the course and the rules and etiquette of the game. The marshals, Pros and Directors at Greetham Valley reserve the right to require any player not conforming with these expectations to leave the course.
7. Societies should play a Stableford format in fourballs and all players should observe starting times and keep up with the group in front - slow play is not tolerated. Please clear the green when the result of the hole is determined (ie mark scorecard at next tee not on the green)
8. Society play is allowed from yellow tee markers only (red for ladies)
9. All players must observe the course and clubhouse dress code at all times. All golfers must change out of golfing attire before dining – the restaurant dress code is 'smart casual'. Organisers should ensure all members of the society are aware of the dress code prior to visit
10. HAZARDOUS CONDITIONS – Any player who believes there is a danger from lightning should discontinue play (please read rule 6-8(a) (ii)). It is the responsibility of the Society Organiser to ensure all players in his party leave the course if he believes conditions have become dangerous
11. Shotgun and two tee starts may be available for groups of 60 or more; when a shotgun or two tee start is booked, 60 will be the minimum number of greenfees and catering tariffs charged for if numbers drop on the day. If numbers drop below 50, a shotgun or two tee start will not be allowed.
12. Organisers should ensure that members of their Society have adequate insurance cover
